Babson Discusses Stock Market

(Exclusive NEWS Feature)

Roger W. Babson

HAVE just telephoned an important brokerage house in New York City to ask its opinion on the stock market. The reply was: "We guess the market is finally getting high enough for the public to buy."

Look At The Record

The Dow-Jones Industrial Averages struck a high of 381 in 1929; they fell to 41 in 1932; they rose to 194 in 1937; fell again to 93 in 1942; rose again to 212 in 1946, from which they declined until a few months ago. They are now around 245, the high for 20 years; but this statement applies to only 30 stocks out of over 1,000 stocks. Many good stocks are now selling for less than they did in 1946, or earlier. Many people say: "All stocks have gone up except those which I hold. What is the reason?" The truth is just the reverse of this. Only a very few stocks are selling at their "20-year highs".

All the above causes the wisest investors to be neither bullish nor bearish just now. They believe stocks are good for income, but not for speculation. The stock market is very selective and the war outlook is very uncertain—either way. We are now doing right to prepare actively for World War III; but it may not come for years. Our hurried preparations may be useless.

What Mr. Hoover Believes

Mr. Hoover apparently believes that, unless there is a revolution in Russia, all of Europe—WAR OR NO WAR—may, for a period of years, try communism and that no WAR III can prevent (Continued on Page Four)

Selectmen Turn Down Gas Company Petition

200 At Hearing Oppose License

The Board of Selectmen Monday night voted unanimously to deny the application of the Arlington Gas Light Company for a license to store 600,000 gallons of volatile inflammable fluid in 24 new tanks of 25,000 gallon capacity on its land on Grove st.

The board's action followed a public hearing—the same evening which attracted about 200 persons. The hearing was advertised in the NEWS and was announced in a story on the first page of this newspaper, as well as in other papers. Also on the first page of the NEWS last week was an advertisement ordered by Atty. John L. Murphy asking the public to oppose granting of the license.

Meanwhile opposition to the proposed storage tanks mounted. In view of this opposition, coming from the most part from its own customers, the Arlington Gas Light Company last Friday decided to drop the matter and withdrew its application. A letter, signed by Everett C. Bryant, manager of the company, asking that the application (Continued on Page Three)

Extra Police Seek Sex Fiend

Police Arrest Eight Escapees

Five Army men who had escaped from Camp Devens and three boys who escaped from Lyman School made the mistake of coming into Arlington early Saturday. All eight were picked up by alert Arlington officers.

The Lyman boys were spotted in a stolen car by Patrolman Alexie about 2 a.m. An hour later Patrolman O'Leary stopped a stolen car in which four soldiers were riding. A fifth soldier, who had escaped from Devens, police said, was picked up at his home on Mystic st.

Neither car had been reported stolen.

Byrne Is Candidate For Planning Board

John B. Byrne, Jr., of 7 Bacon st., filed papers Monday for the three-year term as member of the Planning Board.

The son of one of Arlington's long-time park commissioners, Mr. Byrne was born in Arlington, attended the Arlington schools, and is a homeowner and businessman here.

Mr. Byrne, the father of five children, is active in many community service activities, including the Auxiliary Police Association, the Community Fund, and the Symmes Arlington Hospital Building Fund. He is also a director of the Monica Cotter Trust Fund. He indicated his prime reason for being a candidate for the office of Planning Board is that he feels that now is the time to properly plan for the future growth of Arlington. "Daily contact with all sections of the town as a sanitary engineer has brought to my attention the fact that every section has its own individual problems, many of them long neglected. The appropriate plans for the solution of these problems should be drawn up and presented for action," Byrne said.

Military Honors Paid War Vet, T. John Malcolm

While flags on municipal buildings were lowered at half staff, full military honors were accorded T. John Kendall Malcolm, 42, World War II veteran, whose funeral services were held at his home, 443 Appleton st., Saturday afternoon.

Mr. Malcolm died suddenly at his home last Thursday. Rev. Nathan W. Wood of the First Baptist Church officiated. Also present was Rev. John Nicol Mark, chaplain of Arlington post 39 American Legion, of which Mr. Malcolm was a former officer. Six past commanders of the Arlington post attended the services. The funeral cortege was escorted to Cambridge Cemetery by the Legion's firing squad. Rev. Mr. Wood conducted the committal service at the grave and a volley was fired by the honor guard.

Born in Somerville, Mr. Malcolm was the son of Mrs. Effie Malcolm and the late John L. Malcolm. He entered the Armed Services Nov. 22, 1942, and was discharged Sept. 22, 1945 as a sergeant in the Army Air Forces. He was an airplane armorer and served in western, central and northern Europe, for which he was decorated. He was an active member of the American Legion.

At the time of his death, Mr. Malcolm was an executive of the Sears Roebuck Company.

He leaves his wife, Mrs. Eva L. (Murphy) Malcolm; two daughters, Carol, 14, and Betty, 12; his mother; and two brothers, James of Lexington and Ross of Braintree.

Among those elected to the executive board were Miss Katherine F. Campbell and Benjamin E. Malatesta, both of Arlington. More than 200 members attended the organizational meeting.

This is the 10th year of the competition.

Local Students See UN Session

Seven Arlington High School students flew to New York Tuesday at the invitation of the United Council on World Affairs, to spend "a day at the United Nations." Making the trip were Nancy Ham, Gail Matheson, Sally Fox-bush, Marius Robinson, Earl Sexton, Nancy Jacobs and Sheila Abbot, all of whom have been studying world affairs intensively at school and at meetings with students from other Greater Boston schools. The party making the trip on an American Airliner numbered 40.

A Cambridge autoist was arrested by Arlington police after the Cambridge car knocked down a mail box at Lake and Margaret st. and ran into a parked car late Saturday night.

Melrose Defeats Arlington Sextet, Takes G.B.I. Lead

By JIM DOHERTY
A fast-skating Melrose High sextet downed Arlington High's pucksters, 4-2, in a thrilling clash at the Garden Saturday before the largest schoolboy turnout of the season.

The win gave Melrose a more secure grip on first place despite the fact that they are tied for top honors with Cambridge Latin and it moved Arlington to third place, five points behind the co-leaders.

Arlington will now have to win all three playoff games, while Melrose and Latin drop as many, to win the G.B.I. title. This may seem impossible but in his first year at Arlington, Coach Eddie Burns' team was in a similar position and came through to win the title.

Goalie Law Morgan played his best game of the season despite the four goals scored against him.

Capt. Don O'Brien was hampered by a face mask he wore to protect a cut chin which required 14 stitches to close. He was cut by a skate during a scrimmage last week.

MELROSE: G. Whynott; rd, Lee; ld, Hennigar; c, Marsolais; rw, Kenefic; lw, Cicoria.

ARLINGTON: G. Morgan; rd, Higgins; ld, Timmons; c, Vassil; rw, Coolidge; lw, O'Brien.

Melrose alternates—Kelley, Dew-snap.

Arlington alternates—Riemer, Cronin, Noyes.

Goals made by Cicoria, Marsolais, Dewsnap, Kenefic for Melrose; Noyes, Vassil for Arlington.

Penalties—Kelley, cross-check; Kenefic, tripping; Timmons, cross-check; Cicoria, interference; Lee, holding; Coolidge, high stick.

tion be withdrawn "in view of existing conditions," was sent to the Selectmen and to the abutments near the Grove st., property.

The situation became more confusing over the week-end and on Monday when word got around that the hearing had been called off in view of the company's petition to withdraw. However, when the 200 citizens appeared at the town hall Monday night, the Selectmen decided to hold the hearing as originally scheduled. (It was later explained that in view of the company's letter of withdrawal, the Selectmen could have legally called off the hearing.)

Chairman Joseph A. Purcell presided at the hearing. He explained its purpose and read the company's letter withdrawing the application. He next asked to hear from anyone in favor of granting the license; there was no response.

Murphy Leads Opposition
Those opposing the license were next given an opportunity to express their views. Atty. Murphy led the opposition. William Finn questioned the right of the fire chief in signing the license. It was later explained that, according to law, the license must be signed by the chief after the proposed tanks met with the regulations of fire underwriters before a hearing can be called.

The opponents contended that the tanks would constitute a safety hazard, especially in view of their proposed location in the center of the town, and near the Arlington High School.

These speakers included Mr. Alexander of Grove st., Mrs. Albert R. Porteus representing the Arlington PTA Council which had gone on record as opposing the license; Robert M. Boyd of Overlook road, Robert Bowser, an abuttor; W. Holt of Oak Hill drive, representing the Cutter Hill Association; Albert C. Boates of 34 Rockmont road, Mrs. Eleanor Strong, member of the School Committee, and Assessor William O. Hauser.

There was no question as to the feelings of those present after nearly an hour of arguments against the tanks. Selectmen Purcell requested a vote and it was unanimous against granting the license.

One man, who evidently misunderstood the question and at first raised his hand in favor of the license, was almost "mumbled." He had meant to vote "No."

The company explained that it intended to erect the tanks, if the license was granted, to store propane or butane as a reserve supply to be converted to gas in the event of a shortage of natural gas anytime in the future. The company intends to buy and supply natural gas when it becomes available in this territory.

"GRAVY TRAIN FOR CHISELERS"

If the findings of the Massachusetts Council on Employment Security are correct—and we have every reason to believe they are—the general public should demand that Massachusetts' unemployment compensation law be revised without delay.

Clifford I. Fahstrom, executive director of the Massachusetts Council put it on the line in a talk before a Cambridge service club during the past week. "Chiselers are milking the fund, payments are rising past the million-dollar-a-week mark, and the law is being used as a dole," said Mr. Fahstrom.

"There is something radically wrong with the law as presently constituted," he said. "In fact, the Massachusetts Council on Employment Security, which has sponsored Senate Bill 251 to change the law, believes it clearly shows that unemployment compensation has been, and still is, used as a gravy fund by thousands who are not a part of the Massachusetts labor supply and have no intention of becoming regularly employed."

"In the present session of the Legislature, the law must be revised so that money spent for unemployment will go where the law intended it should—to those who work regularly and are the real bread-winners."

Senate Bill 251 would put teeth in the unemployment law. It would provide penalties for either employee or employer if they continued to try and chisel from this insurance fund that was designed to protect the honest working men and women in this state.

We believe Mr. Fahstrom is right when he points out that unemployment has decreased steadily since the start of the war in Korea, yet the number of unemployment benefit checks has increased every week.

If this drain on insurance dollars continues, the fund will collapse and no one will receive benefits.

We suspect that the politicians are not concerned and may even be encouraging this condition. However, the time may have arrived when those who are contributing to the fund, and who are finding it difficult to make both ends meet, will demand a house-cleaning. It's high time the abuses of this law be stopped, and only public pressure can bring this about.

It. He also thinks that the Russians now have no intention of striking North or South America unless we attack Russia. He believes we should now avoid war and concentrate on strengthening the United States militarily, economically and spiritually until the Europeans unite and show an enthusiasm to fight communism. Under this Hoover Policy our markets should hold up.

If we should get into war with Russia and one or more of our cities are bombed, the Stock Exchanges would be closed to prevent financial panic. Everything—securities, commodities, rents, banks and wages—would be frozen. We would be ruled by a dictator and stocks would go down. Those who expect war should not buy stocks—certainly not unless they are very carefully selected by experts. Inflation, however, should help a few stocks.

Stocks vs. Homes

Certainly, anyone who does not own a house and an acre of land in a safe country village, should make such his first investment—war or no war. Many such places—well located, with water, fuel and neighbors—can be purchased today for one-third what it would cost to build them. I'm not advising their purchase for immediate occupancy, but for insurance and security.

Next, keep healthy, have a good bank account and a job which will give you a living. If you are dependent partly on investment income, then buy a VERY BROAD list of 30 stocks which have paid dividends for many years and which should give you about 5%. If your local bank is unable to supply you with such a list, the bank can send me at 270 Washington st., Wellesley Hills, Massachusetts, and I will freely send such a list to the bank for you.

Marriages

MRS. RICHARD H. WILSON
(Errico Studio)

Wilson-Henderson

At a ceremony in the Calvary Methodist Church on a recent afternoon, Miss Frances Joan Henderson, daughter of Mr. and Mrs. Charles L. Henderson of Arlington, became the bride of Richard Harold Wilson, son of Mr. and Mrs. Harold C. Wilson of Belmont. Rev. Charles Pedersen performed the candle-light ceremony which was followed by a reception at the Commander Hotel.

The bride, given in marriage by her father, wore a white velvet gown, princess style, trimmed with pearls and seed pearls at the sweetheart neckline. Her three-layer fingertip veil of French illusion was attached to a velvet coronet trimmed with seed pearls. She carried a white velvet muff with an arrangement of stephanotis, feathered carnations and a white orchid.

Miss Ruth Ann Page of Arlington, maid of honor, wore a cranberry velvet gown and skull cap to match. She carried a white muff the same shade as her gown with an arrangement of pink roses and California pepper berries. The bridesmaids, who also wore cranberry velvet gowns and carried muffs to match with an arrangement of pink feathered carnations, were Miss Doris Wilson and Miss Sylvia Wilson of Belmont, both sisters of the bridegroom.

Manning Farrell of Winchester was best man and ushers were Ernest Fuller of South Lincoln, cousin of the bridegroom; and James McCarthy of Arlington.

After a wedding trip to New York and Washington, Mr. and Mrs. Wilson will live in Arlington.

Logan-Hart

Miss Betsy Amelia Hart, daughter of Mr. and Mrs. Wallace M. Hart of West Cornwall, Conn., and Frederick Monroe Logan, Jr., son of Mr. and Mrs. Frederick M. Logan of 212 Forest st., Arlington Heights, were united in marriage at a ceremony in the First Congregational Church, Goffstown, N. H., recently. Rev. Theodore L.

Clapp officiated at the double ring service.

White carnations and palms decorated the church for the ceremony while the home of Rev. Mr. Clapp, where a buffet luncheon was served followed the ceremony, was decorated with white gladioli, carnations, sweet peas and ferns.

The bride was gowned in champagne white crepe, with Point Venice lace collar and rhinestone trimmings. She carried Navy blue accessories. She wore a white orchid.

Her matron of honor, Mrs. Virginia S. Hart of West Cornwall, Conn., sister-in-law, wore a dark green crepe dress and corsage of white gardenias.

Charles C. Chase of Somerville was best man.

Mr. and Mrs. Logan are making their home in Cambridge.

Mrs. Logan has been secretary to the zone service manager of the Oldsmobile Division while Mr. Logan is field representative of the General Motors Acceptance Corp.

Sullivan-Pitts

At a double ring ceremony in St. Jerome's Church recently, Miss Grace Patricia Pitts, daughter of Mr. and Mrs. Herbert A. Pitts of Eliot road, became the bride of Theodore Vincent Sullivan, son of Mrs. Mary E. Sullivan of Charlestown. Rev. Joseph M. Fitzgibbons officiated.

A reception followed at the Hotel Kenmore, Boston.

Miss G. Pauline Pitts, sister of the bride, was maid of honor and the bridesmaids were Miss Florence C. Pitts, another sister; Miss Christine Pacifico of Watertown and Miss Anna Roust of Charlestown. Miss Priscilla M. Pitts, the bride's youngest sister, was junior bridesmaid.

Acting as best man was Michael B. Flynn of Charlestown while the ushers were Leo Murphy, John Charbonier, and Paul Shea, all of Charlestown.

The bride, who was given in marriage by her father, was gowned in white satin on scalloped lace. Her fingertip scalloped net veil was attached to a satin helmet. She carried a white prayer book with orchids and stephanotis.

Her maid of honor wore a gown of pink satin and nylon tulle. Her headpiece was of pink ostrich tips. She carried rubrum lilies. The bridesmaids wore gowns of green foam satin and nylon tulle with headpieces of ostrich tips. They carried orchids. The junior bridesmaid wore a gown of pale green satin with headpiece of green satin and tulle. Her flowers matched those of the bridesmaids.

Brown-O'Brien

Mrs. Thomas O'Brien of 5 Winter st., announces the marriage of her daughter, Miss Irene Ruth O'Brien, to Sgt. David Gilbert Brown, in Stuttgart, Germany, on Jan. 13.

Rev. Fr. Moll officiated at a noon-day Mass.

Henry Carlan, U. S. Government agent, and Mrs. Carlan, the former Kathleen Fitzpatrick of 288 Massachusetts ave., Arlington, were the attendants.

Mr. and Mrs. Brown are spending their honeymoon in the Bavarian Alps.

The NEWS OBSERVES

A truck driver reports he couldn't believe his eyes, at first, when on Monday morning he spotted a man in Arlington Center going to work on skates. "He wasn't a boy, either," the driver reports. Those who crept along on the glare ice will agree that the gentleman who resorted to the steel blades had the right idea at that.

Television viewers who have watched some of the sessions of the United Nations at "tentative" may be unaware that—like all TV programs—the UN "show" costs plenty of money. The United Press reports American taxpayers put up more than one-third of all regular expenses of the United Nations in 1950, to say nothing of more than half the cost of special operations undertaken by the UN through its international relief organization. In addition, Uncle Sam advanced a loan of 65 million dollars for construction of the UN headquarters in New York.

President Truman has budgeted United States contributions to the UN for the fiscal year 1952 to the tune of \$26,712,181. No one can say this country is not willing to pay its share towards an organization aimed at bringing about elusive world peace.

We've heard government budgets called all sorts of names but it remained for Everett's Senator Sumner G. Whittier to come up with a brand new one. He labelled Governor Dever's record-breaking state budget "an iceberg budget." The Governor calls for \$4,000,000 in new taxes and expenditures totaling \$271,355,898 for the fiscal year beginning next July 1. We must admit the figures are enough to send chills down anyone's spine.

Sales of new automobiles in Massachusetts during 1950 jumped 25 percent above the sales for the previous year while truck sales went up by 40 percent, the Federal Reserve Bank of Boston reports.

Disregarding the alippery going under-foot and the bitter cold Tuesday evening, close to 100 attended the annual meeting of the Arlington Girl Scouts at the Junior Library Hall. Mrs. Gordon Williams presided and introduced Miss Mary Leveroni, Girl Scout executive; the troop leaders and committeewomen. Annual reports were made.

A group of Girl Scouts posted the Colors to open the meeting and a group of Brownies later took part in the meeting. Refreshments were served by senior Scouts from a table attractively decorated with jonquils against a green background, suggesting that, despite the weather, Spring "might" be just around the corner.

Nine contests are on tap for the annual town election next month. And interest might well be centered on the fight for Selectman and for member of the Public Works Board, the incumbents' withdrawal leaving the outcome very much in doubt. However, for an all-out test of strength keep a sharp eye on race for the Board of Public Works. There'll be plenty of hard work going on behind the scene for this one unless either one of the two candidates withdraws, which is doubtful.

Arlington Boy Scouts and Cubs will observe Boy Scout Week with an elaborate exposition at the Robbins Town Hall Saturday afternoon and evening. Several interesting exhibits and demonstrations are promised. Here's a convenient opportunity for adults to see just how the boys work and play.

The Weather Man threw the book at us this week. As if the sleet storm wasn't enough, the mercury nose dived to below zero Tuesday night and this was followed by snow yesterday.

The filing of a joint nomination paper for Assessor and Sinking Fund Commissioner by John H. O'Brien and William J. O'Brien, Jr., revealed that the designation "lower taxes" may appear besides their names on the election ballot. A general law passed in 1946 allowed a statement of "political principle" to appear besides a candidate's name, it is understood.

Despite last night's snowstorm, Arlington mothers carried out their "March on Polo" and solicited funds for the infantile paralysis drive.

INJURED BY AUTO
Frederick E. Arlington, 5, of 54 Fisher road suffered lacerations to his face when he collided with an automobile near his home Tuesday forenoon.

Quick Action Needed To Save UN as Agency For Peace, Club Told

The Arlington Heights Study Club met at the home of Mrs. Nils Langkjen, 97 Oakland ave., last Tuesday, Mrs. T. Gordon Smith, vice-president, presided.

David C. Jacobs of Cedar ave., history teacher at Belmont High School, spoke on Russia in relation to the rest of the world. He said Russia had dropped all pretense that the USSR is defending itself and now has committed itself to a scheme of world domination, threatening to isolate and encircle the capitalistic countries by 1951.

Russian propaganda—psychological warfare—has had a tremendous impact on the American public and upon those charged with the formation of our foreign policy, the speaker said. "We must replace our fear with faith," Mr. Jacobs declared.

He pointed out that the UN Security Council has been strangled by the Russian use of the veto, and that the UN is nearly dead and only drastic action can save it as an agency for world peace.

"War," he concluded, "is far better than submission to tyranny and oppression, because without freedom and respect for human dignity, life would not be worth living."

Hostesses at the coffee hour were Mrs. Arthur Wells, Mrs. Norman Jenkinson and Mrs. Elwyn Mariner.

Hollis M. Gott, of 90 Churchill ave., has been appointed as a Notary public.

—Mr. and Mrs. Joseph Coleman and Joseph Coleman are spending the winter in Florida. Mrs. Coleman visited the famous Fountain of Youth in the historic city of St. Augustine.

School For Christians At First Baptist Ch.

The second session of the School For Christians currently being given at the First Baptist Church will open Sunday night at 7:30 with a continuation of the two classes for adults and young people under the leadership of Professor Edward Dalglisch of Gordon Theological School and Professor Sam Hedrick of Boston University.

With the adults Dr. Dalglisch will discuss the history of Israel as drawn from the lives of her outstanding prophets, David, Solomon and Elijah. In his "Facing Up To Life" series, Professor Hedrick and the younger group will consider the problems of Family Life.

At 8:30 both groups will join in a devotional worship service led by the pastor, Rev. Nathan W. Wood, followed by an address by Dr. Franklin P. Hawkes, director of Fair Educational Practices in the State Department of Education. His topic will be "An Educated Or A Religious Man - Which?"

Dr. Hawkes was formerly principal of Junior High West and president and commissioner of Schem Council of Boy Scouts. Since leaving Arlington Dr. Hawkes has been superintendent of schools in Abington and West Springfield, prominent in educational policies for school superintendents in the state, and in demand as a speaker for young people and Parent-Teacher associations.

These sessions are open to any interested townspeople.

Social Alliance

The Social Alliance of the Unitarian Church has arranged for the "Morning With Mr. Mark," which was postponed, to be held next Monday morning, Feb. 5, at 10:45. The Evening Alliance will have a food sale at the same time, the proceeds of which will be given to Dr. Joslin's camp for diabetic boys. Ladies are invited to stay for luncheon and Red Cross sewing.

There will be no Red Cross sewing on Tuesday.

Sex Crimes

(Continued from Page One)

Cambridge Courthouse on Friday, it is understood that District Attorney George E. Thompson offered Chief Bullock the services of the State Police if necessary, although the offer was declined for the time being. The NEWS was told that the District Attorney telephoned the Arlington police chief after he read the story in the Boston paper Thursday night and asked for a conference the following morning. At least one Selectman, who has jurisdiction over the police department, was in the dark about the whole matter until he read the headline in the Boston paper.

Up to the time the story "broke" in print, the police had specifically requested no publicity on the attacks. The NEWS abided by this request. It was assumed the police preferred that the suspected sex offender be unaware that they knew of his offenses and thereby might bring about his arrest all the sooner. "There was no point in scaring the entire town," Chief Bullock explained.

Latest incident that might be linked with the previous offenses occurred Monday night at 7 when a young woman waiting for a bus on Summer st., at Brattle, reported that a man hiding behind bushes at a nearby house called out to her.

Also at midnight Saturday, a 20-year-old Whittemore st., girl reported that she was accosted by a man at the street-car stop in Arlington Center.

And, last Thursday night about 8, a prowler was reported near a house on Park Ave., extension. Incidents last week involved a young man who accosted a woman in a vacant lot on Pleasant st., near the turnpike; another case where a young man assaulted a young girl near 947 Massachusetts ave., and then ran towards Grove st.; a 5-year-old Westminster ave., girl who was indecently assaulted by a man who gave her a ride in an old model automobile; and another who indecently assaulted two girls near 176 Park ave.

The closest description available is that the man wanted is 17 years old, 5 ft. 7 in. tall, has black hair, combed back, and was wearing a stocking hat, army field jacket or plaid jacket, and gray trousers. He wore a white cloth over his face.

Chief Bullock urged a sensible approach to the situation. He asked parents to warn their children not to talk with strangers and particularly not to accept rides with them. He asked that a note be made of registration numbers on any automobiles whose operator may look suspicious.

Chief Bullock disclosed this week that the Arlington police have a file on all known sex offenders living in Arlington but none tally with the description of the youth involved in the recent attacks.

—Pvt. Daniel H. Keohane, son of Mr. and Mrs. C. J. Keohane of 27 Warren st., is stationed at Lowry Air Force Base in Denver where he is undergoing training. He is a graduate of Arlington High School and Franklin Technical Institute.

Contests

(Continued from Page One)

William A. Barnstead, 311 Appleton st., who is making his initial bid for a major town office; Daniel M. Hooley of 268 Broadway, former Park Commissioner; and Walter T. Kenney of 21 Devereaux st., painting contractor who has received the endorsement of the Arlington Voters Council.

Two candidates who had taken out papers for the three-year term on the Board of Public Works failed to file, thus narrowing the contest down to two candidates, Edward W. Higgins of 78 Scituate st., and Joseph P. Greeley of 10 Farmer road. Atty. John L. Murphy, whose term expires, will not seek re-election.

Assessor Arthur W. Sampson of Cliff st., will seek re-election for the three-year term, with John H. O'Brien of 319 Massachusetts ave., and Albert Hanson of 10 White st., also filing papers for this office.

Mrs. Eleanor J. Strong, James W. Kidder and John H. Allison will seek re-election for three years on the School Committee. Also running for this office are Edward J. Sennott of 78 Jason st. and Robert J. Brozman of 88 Lake st.

Dr. Carl E. Barstow is a candidate for re-election to the Board of Health with Carl L. Peterson of 457 Summer st., as his opponent.

Competing for the three-year term as Sinking Fund Commissioner are Ira M. Jones of 21 Grafton st. and William J. O'Brien, Jr., of 319 Massachusetts ave.

There will be two contests for the Housing Authority. Myron D. Chace, candidate for re-election for a five-year term, will be opposed by Kenneth P. Troy, of 182 Brattle st., while James C. Doyle of 23 Chester st., who was recently appointed to fill a vacancy, will seek the two-year term with Cornelius J. Brozman of 52 Egerton road as his opponent.

Everett J. Henderson will be unopposed for re-election as Park Commissioner. Tree Warden George M. Dolan has no opposition for re-election. Also unopposed are Mrs. Margaret E. Heaps and Llewellyn B. Parsons, trustees of the Robbins Library, and Walter B. Henderson, cemetery commissioner.

Harold A. Yeames, Edward P. Clark and Harold A. Cahalin, trustees of three funds, likewise, will have no opposition.

Ice Storm

(Continued from Page One)

freezing and hills were covered with ice. The cars were removed after sand trucks had "covered" the hills.

Because of the extremely dangerous walking conditions Monday morning, Superintendent of Schools Clifford R. Hall announced there would be no school for all grades.

Children took advantage of the day off to enjoy coasting and skating, in some cases on hills that were "lightning fast." But, police received several complaints during the day concerning children coasting on non-posted streets.

To add to the woes of scores of commuters on their way to work in Boston offices, the ice caused an MTA power line to snap in Arlington Center about 8 o'clock Monday morning. Several inbound trolley cars were held up while an emergency crew made repairs.

Sanding operations were resumed Monday night and continued throughout the night. By Tuesday, the conditions had improved considerably.

Town Manager Plan Topic at Rotary Club

Atty. James C. Doyle and Frederick S. Glynn, Jr., members of the special Town committee that will propose a Town Manager Plan

for Arlington at the annual town meeting, were guest speakers at last Wednesday's luncheon meeting of the Arlington Rotary Club. They spoke on manager form of government which has been "tailor made" by the committee to fit Arlington's needs.

Mr. Glynn quoted Thomas Jefferson as saying that "the town meeting form of government was particularly a New England institution," and further "that it was the wisest form of government." At the present there are in Maine about 100 towns with man-

ager form of government and about 1,000 in the country, he added.

Mr. Glynn stressed the point that town manager form of government was really streamlining the present form of government and that the word "manager" was probably an unfortunate choice of wording.

Mr. Doyle, chairman of the committee explained that the selectmen whom the committee recommended be raised from three to five members, would be policy-making officials and that a town manager and his appointments would be subject to their approval. The town manager would have the power to appoint his own assistants including the "director" of public works.

Mr. Doyle brought out that under the proposed manager plan, the manager would appoint his assistants from the Civil Service list. He would have supervision of all new construction and central purchasing would be set up. Among those to be appointed by the manager would be three commissioners of trust funds, instead of a trustee for each separate fund. The manager would have supervision of maintenance of all town buildings, including schools.

Trinity Baptist Church Plans Lenten Program

Beginning Feb. 7 and continuing through March 14, a special program called "Adventures in Christian Living" will be given at Trinity Baptist Church, East Arlington, each Wednesday evening at 7:45.

Due to the confusion and feeling of insecurity it was thought wise to offer to the people of Trinity and their friends this program consisting of two "Adventures" each evening — one called "The Life of Christ" arranged by Howard Whitehouse and Harold White, the other called "Personal Religious Living" arranged by Aubrey Rigby and Edward Moore.

Commuters' Column

Skidding and Kidding
This week started off with a thrill for the children. "No School" signals sounded all over as the season's first sleet storm glazed the roads and brought most transportation to a standstill.

I decided I wouldn't even try for my regular 8:10 train; but walking wasn't bad if you stuck to the side of the road, and I reached the station with plenty of time to spare before the 8:28 pulled in.

I got the last newspaper on the rack, and as I went over to buy a 12-ride ticket the station agent said: "Plenty of riders this morning, all right. There'll be standing room only before you get to town!"

"What can you do about extra passengers in bad weather?" I asked. "Put on more cars?"

"Not in the morning," he replied. "We just don't have 'em at the out-of-town end of the line. So people have to stand up."

"Too bad these new riders see the railroad at its most uncomfortable," I said.

"Yep — but nobody seems to mind. They're glad enough to be able to get to town. It's tough on the railroad people, though. They have to get up even earlier than usual — scrape the ice off the car steps — sand platforms — dig out switches. And then this is the season when people get sick — and even railroad people catch cold sometimes. That puts extra work on the rest of us. We have to arrange substitutes — work longer and harder and faster to keep things going."

"You railroaders certainly have to be right on the job," I said.

He smiled and nodded. "We even have to live right near it. Otherwise, how would we ever get to work on time in weather like this?" New faces began to appear at the ticket window — faces I hadn't seen at the station since last winter. I renewed old acquaintanceships — struck up new ones — lent half my newspaper to a friend. There was an atmosphere of cheer, of warm and relaxed comfort.

The 8:28 was right on the dot. Car steps were clear of ice. The station agent ran out ahead of us to sprinkle fresh sand on the platform. And the regular commuters had a lot of fun bidding the new riders as we crowded aboard.

SELECTMAN JOSEPH A. PURCELL and Jack Berberian, Arlington Dye Works Cleaners official, cut the ribbon at the formal opening of the Dye Works' new plant store at 81 Mystic St. last Saturday. Taking part in the ceremony were (left to right) Chief Archie F. Bullock, Selectman Purcell, Paul Berberian, Jack Berberian, and Town Clerk James J. Golden. Modern design keynotes the new store where a housewarming opened Saturday and continues through this week. Visitors are welcome.

Church Group Hears Talk by Mr. Bennett

Max Bennett of Food Lane, under the auspices of the Senior Youth Fellowship of the Calvary Methodist Church, presented a most interesting talk on "Life in Israel."

Mr. Bennett told about the early history of the Holy Land and related his experiences last summer on his return to visit his brother, Mr. Bennett held the interest of both the young and old.

The young people who took part in the services were Joan Chandler, Thelma Lambertson, Vernon Udall, Mary Jane Richardson and Myrna Short.

Two trumpet duets by Richard Van Iderstine and Richard Laman, accompanied by Miriam Hamm, were given.

The ushers were Lucy Tuff, Robert Finlayson, Joyce Donaldson and Raymond Udall.

After the services refreshments were served by the counselors, Mabel Jones and Gladys MacPhail.

The Senior Fellowship were hosts to the Tri-F and Budd Fellowships.

**PTA Council Opposes
New Gas Storage Tanks**
The Arlington Council P.T.A. met Thursday evening at the home of Mrs. Eugene Monahan, 31 Sawin st., and went on record as opposing the petition of the Arlington Gas Light Co. for permission to erect storage tanks on Grove st.

Plans are progressing for the entertainment to be presented Feb. 15, Brotherhood Night, at Junior High West auditorium.

Injured in Fall
Suffering from a head injury as a result of a fall in her home, Mrs. Margaret Short, 83, of 73 Medford st., was taken to the Symmes Hospital in the police ambulance on Saturday.

Arlington Garden Club
Mrs. Francis J. Davidson, director of the Arlington Garden Club Study Group, has completed plans for an interesting and instructive program to be presented when this group meets next Wednesday afternoon at 1 at the Robbins Library.

The program will include talks on "Pruning," "Spraying," and "Forcing Plant Material For Line Arrangements."

Refreshments were served by the hostesses, Mrs. A. Laurence Wagner, Mrs. Arthur A. Morrison and Mrs. Henry M. Sanger.

Varia Study Club
The Varia Study Club met at the home of Mrs. James Stauss, Wachusett ave., on Jan. 22. Mrs. John E. Fuller presided.

Following the business meeting, Mrs. Theodore E. Lannefeld, program chairman, introduced Miss Dorothy Ring who read a most interesting paper on "Music Around the World" tracing the development of music from primitive days to the present day. Following her paper the club was entertained with recordings from the musical comedy, "South Pacific."

Refreshments were served by the hostesses, Mrs. A. Laurence Wagner, Mrs. Arthur A. Morrison and Mrs. Henry M. Sanger.

VOTERS COUNCIL TO ENDORSE KENNEY, HIGGINS IN ELECTION

With The Selectmen

The board of Selectmen at its meeting Monday night voted to favor the transfer of MDC land, off the Concord turnpike, to the MTA for possible use as a site for a terminal in the future. The transfer was requested in a bill filed by Representative Keenan.

The board received the building inspector's report showing that permits issued during the previous seven days totalled \$396,735, involving mostly new single houses. Several of the new houses will be built in the Marjory development.

William P. Forrestal was granted a license for a taxi stand at Massachusetts ave. and Brattle st. The request of Mrs. LeRoy G. Shaw for the use of vacant land owned by the Town and the MDC for vegetable gardens, again this year, was granted.

The Arlington Voters Council at a meeting in Library Hall last Thursday night endorsed all candidates nominated by the Council's qualifications committee.

There were no upsets as some 40 members approved the slate presented by Joseph Peterson. The meeting went along in routine fashion and a secret vote was taken on each candidate. In most cases the endorsements were unanimous or close to it.

All candidates for re-election were endorsed. For contested offices the following slate was approved:

Walter T. Kenney for selectman; Edward W. Higgins for the Board of Public Works; Arthur W. Sampson for Assessor; Mrs. Eleanor Strong, John A. Allison and James W. Kidder for School Committee; Frederick S. Glynn, Jr. for Planning Board; Dr. Carl Barstow for the Board of Health; William J. O'Brien for Sinking Fund Commissioner; Atty. James Doyle for the two-year term on the Housing Authority and Myron Chase for the five-year term.

Mr. Gorton then asked for support of the Council's slate, pointing out that the candidates had been selected on a non-partisan basis and represented all sections of the town. He said no high pressure of any kind had been noted in the process of selecting a slate. He urged an impressive turnout of voters on March 5.
